

What is a reservation fee, and how can it be a benefit for me?

A reservation fee of \$50 will be collected for all patients in order to schedule a consultation with Dr. Kerr or any appointments with Synergy MedSpa. This fee allows us to completely dedicate our time to you for your scheduled visit.

*Your reservation fee will be refunded within 2 business days of your appointment as long as you arrive for your scheduled consultation or if you reschedule at least 3 business days prior.*

If you choose to put your reservation fee toward booking a surgery date you will be honored double value (\$100) toward the cost of your surgery as a benefit to you. By dedicating the time you deserve our reservation fee helps to make the schedule run smoothly with few if any wait times, and gives you the best experience possible at Synergy Plastic Surgery. We look forward to meeting with you soon!
